Samuel Opoku

successfully participated in the workshop Using the MLA International Bibliography for Research in Foreign Language Studies (16.05.2024, 14:15 - 16:00 Uhr) of the University Library (Philipps University Marburg) on May 16, 2024. The workshop comprised 2 working units of 45 minutes each.

Content:

- Research Strategies
- Use of Bibliographic Databases
- Searching for Literature Using the MLA International Bibliography
- Formulating Specific Search Queries
- Boolean Operators
- Advanced Search

Intended Learning Outcomes:

After attending the workshop, you will be able to ...

- name the main functionalities of the MLA database,
- formulate search queries using the advanced search and the thesaurus,
- create complex search queries with Boolean operators.

Marburg, den 16. Jul 2024
